

*Conversations on Teaching and the  
Seminar Program  
The Science of Teaching: Evidence-Based  
Approaches in Biology Education*

## **"Navigating a Changing Teaching Landscape: approaches and advice from BioSci faculty"**

**Keefe Reuther, PhD**  
*Assistant Teaching  
Professor - Ecology,  
Behavior and Evolution*

**Melinda Owens, PhD**  
*Assistant Teaching  
Professor - Neurobiology*

**Justin Meyer, PhD**  
*Associate Professor and  
Vice Chair - Ecology,  
Behavior and Evolution*

**Tuesday, November 7, 2023**  
**9:30-10:50am**  
**Muir Biology, Room 1138**

*Light refreshments will be provided*

Melinda Owens and Justin Meyer will share approaches and perspectives from flipping their courses in fall 2023.

Keefe Reuther will guide you through step by step workflow to quickly modify and generate assessment questions that can easily be uploaded to Canvas.

Hosted by: Claire Meaders (cmeaders@ucsd.edu) and Lisa McDonnell (lmcdonnell@ucsd.edu)
