

UC SAN DIEGO OFFICE SUPPLIES PROGRAM

Now the best of both worlds! Procurement and Contracts is pleased to announce the addition of a small business offering for office supplies through Carroll Business Supply alongside our long-term partner OfficeMax. These two agreements address the UC requirements for both large and small diverse business distributors. Together, OfficeMax and Carroll Business Supply offer a wide selection of office supplies to meet your everyday needs including hundreds of green and recycled products. OfficeMax provides significant aggregate savings through the UC Systemwide agreement based on volume spend while Carroll provides a local, personalized touch. Between these two Strategically Sourced suppliers, there's no need to look anywhere else for office supplies.

Did You Know? Material Support Services has enhanced its services: packages from OfficeMax which arrive at Trade Street by 6:30 a.m. will be delivered to campus the same day they arrive!

UC San Diego Welcomes

Carroll Business Supply is a small business located in San Diego, California. Family owned and operated, Carroll has proudly served San Diego for over 30 years. Check out Carroll today for hard-to-find, specialty items or to satisfy your state and federal procurement requirements for supplier diversity spend.

Through the competitive bid process, Carroll has been awarded the primary agreement for Auxiliary Office Supplies which covers general office supplies excluding toner, paper and computer technology.

Contract benefits include:

- Contract pricing for 14,000 products including "green" and recycled
- Sourcing of specialty items
- Buy from a qualified Small Business partner
- Local inventory with next day delivery
- No charge for shipping
